GOAL: To help girls enrich their lives through service to others in their church, community, and the world.

MOTTO AND PURPOSE: Be useful "with the mandate to "love God, serve others, and live nobly."

PURPOSE:

- Enhance member's spiritually growth and development as a Christian.

The JCDA offers Catholic girls a tremendous opportunity to engage themselves in spiritual growth, leadership and service while they remain under the protective umbrella of our Catholic faith. Among the major benefits to being a Junior are the strong friendships that are formed and the deepening of their shared Catholic faith.

Court Compton #942 welcomes the opportunity to support our girls by sponsoring our Junior Court Mother Lupita. We look forward to mentoring the next generation of Catholic Daughters.
