REGENT JANUARY MESSAGE

Happy New Year!

Welcoming in 2024 with Unity & Charity

As we welcome in our 99th year as Sisters in Christ, let us so with joy and gladness. I am excited about the upcoming year as we plan for our 99th and

100th Anniversary celebrations. This remarkable accomplishment could not be achieved without your faithful service and prayers. Truly blessed! .

Thank you to our members that contributed and made our holiday food gift baskets at 4 parishes such a huge success. We were able to provide 26 at Our Lady of Victory, Sacred Heart, St. Albert and St. Lawrence boxes filled with food (donation from Aldi's grant) and a \$25.00 grocery gift card.

Let us join, on January 14th to pray the rosary at 8:30 am at OLV, followed by mass and our 1st meeting of the year. We have a full agenda as we prepare for the New Year and our National Convention in New Orleans. You do not want to miss this remarkable gathering of CDA women.

“The Lord bless you and keep you. The Lord make his face to shine upon you and be gracious to you. The Lord lift up his countenance upon you and give you peace.” Numbers 6:24-26

God bless you and your family,

Yvette Manard, Regent

PRAYER OF POPE FRANCIS FOR THE JUBILEE

You are the visible face of the invisible Father, of the God who manifests his power above all by forgiveness and mercy: let the Church be your visible face in the world, its Lord risen and glorified.

You willed that your ministers would also be clothed in weakness in order that they may feel compassion for those in ignorance and error: let everyone who approaches them feel sought after, loved, and forgiven by God.

Send your spirit and consecrate every one of us with its anointing, so that the Jubilee of Mercy may be a year of grace from the Lord, and your Church, with renewed enthusiasm, may bring good news to the poor, proclaim liberty to captives and the oppressed, and restore sight to the blind.

We ask this of you, Lord Jesus, through the intercession of Mary, Mother of Mercy; you who live and reign with the Father and the Holy Spirit for ever and ever.

Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to your protection, implored your help, or sought your intercession was left unaided. O Mother of the Word Incarnate, despise not my petitions, but in your mercy, hear and answer me.

Sharing this letter from Melody Paulsen is a CDA Sister-Court St Anne in Beaumont, also a member of the Order of Malta. Christ is the reason for the season, and sometimes we can forget the other side of the world is not at peace, as we are. Please ask our Court members to donate if their hearts are impacted with the plea to help the Holy Family Hospital, which sits a few feet from the birthplace of Jesus.

A Bridge to Hope An Update on Holy Family Hospital, Bethlehem
By Ambassador Michele B. Bowe, GCM

Bethlehem is the heart of Christmas. Not that of the North Pole and elves, but the authentic Christian celebration of the birth of the Christ Child. Each December, Manger Square hosts a life-size nativity scene, illuminated by stars and a three-story Christmas tree. Liturgical choirs perform most nights, and the Christmas market draws visitors—Christian and Muslim alike—from all over the region and around the world.

This year is different. Bethlehem is locked down behind the Israeli separation wall and many additional manned checkpoints. Most of the workforce has no salaries or work because of the closure and the absence of pilgrimages. While the war is over 40 miles away, Bethlehem suffers not from fighting or bombing, but from the halted economy. In response, providing meals for the children demands precedence over exchanging gifts and treats.

This year in Bethlehem, there will be no Christmas tree, choirs, lights, or decorations. The 100 plus year-old traditional Christmas parade composed of marching bands and bagpipers from the parish scout troops will now be a more solemn religious procession. The Patriarch of Jerusalem will leave on foot from Jerusalem to Bethlehem. As always, thousands will line the way in anticipation of the birth of the Christ Child. He will make his traditional entry through a special gate in the separation wall and make his ceremonial walk along the path taken by the Magi. The Procession will end at the Church of the Nativity. After midnight Mass the Figurine of the Baby Jesus will be placed in the manger where he will remain throughout the days of Christmas. This year Christmas will be very much like that first Christmas 2000 years ago. No gifts, no celebrations, no fireworks, or festivities— just a babe born on a deep winter night under a bright star.

The families of Bethlehem will celebrate Christmas with Mass, prayer and sacrifice as requested by the Patriarchs. Christmas will be somber, reflecting on the recent events in Israel, Gaza, and the West Bank.

But Christmas will not be without hope. Just as Mary and Joseph found shelter in the manger, the Holy Family Hospital, 1,500 footsteps from the birthplace of Christ, will provide refuge to mothers delivering their babies without regard to financial need or religious creed. Each and every baby born in this nighttime of war will remind us that babies are a sign from God of his unconditional love for us all. What could be more hopeful than a newborn baby?

Just as the Church is the center of community life, Holy Family Hospital is the heartbeat of Bethlehem. The Hospital lights stay on all night long every day of the year. The halls are warm and welcoming even in the piercing cold of the darkest nights. The midwives, nurses and doctors stand ready to care for the most complicated deliveries and the mothers know to expect the very best care delivered without regard to need or creed.

Some mothers, because of travel restrictions due to the war 40 miles away, are not able to reach the Hospital to deliver their babies as travel is dangerous at night. They will deliver at home, without medical care. Sana recently delivered her baby at home because she could not reach the Hospital. In the morning Sana and her husband took the baby to the Hospital. The baby was cold and infected because homes in Bethlehem do not have central heating and they were not prepared for a home delivery. Both Sana and her baby were admitted for follow-up care.

As the war wages on in Gaza, the shutdown of Bethlehem continues to mean very few have salaries and the small savings people were able to amass after Covid are quickly disappearing. Our Hospital is one of the very few employers continuing to pay full wages on time. Our construction project is a bright spot of hope as the work continues, employing a great variety of tradesmen. We were even able to add a few new employees to the site. Despite the closures, we are finding supplies and making steady progress.

Fewer families can contribute to their care as a medical bill competes with a bag of groceries. Our contracts with the UN and the government of Palestine normally cover a fraction of the cost of some deliveries and NICU care for refugees and state employees. In normal times, this helps cash flow. Today these funds have all but dried up. Holy Family Hospital Foundation is redoubling efforts to meet this funding gap to maintain full salaries and full services until the resumption of peace.

For over thirty years, the Order of Malta has committed to improving lives in the greater Bethlehem region. Babies we delivered are grown up and working for the church, for the universities, for the government and for our very own Holy Family Hospital. A new generation of doctors and nurses who drew their first breaths at our Hospital are now working in service to the mothers and babies of Bethlehem.

The circle of life and the circle of hope are deeply intertwined in Bethlehem. Over 70% of the population was born at Holy Family Hospital. Today we are the largest employer and trainer of medical professionals. Our Hospital is a touchstone of the community and a veritable factory of hope.

A donation to Holy Family Hospital is an investment in hope. It is a vote for the future of Bethlehem, the place where the Christ Child drew his first breath just 1,500 footsteps from Holy Family Hospital. Thank you for being part of the bridge which will carry the people of Bethlehem over the war and to the far side of peace. Thank you for your prayers and thank you for your gifts of hope.

Please join us in continuing to pray for peace. Our weekly Rosary for Peace time will change from 7:00 PM on Thursday evenings to 7:00 PM on Tuesday evenings after Dec. 31. See below for the new link and the passcode is 123.
